PROFILE

As a rising Full Stack Developer, I am a results-driven professional with 6+ months of experience turning complex concepts into user-focused digital solutions. Skilled in modern web technologies and collaborative teamwork, I am dedicated to continuous growth and delivering innovative, scalable applications in fast-paced environments.

PROJECTS

VIDEO SHARING PLATFORM

GitHub link: Frontend, Backend   **Deploy link: Video Sharing Platform**

- Developed a video-sharing platform using React, Node.js, Express.js, MongoDB, Firebase, and bcrypt for secure user authentication and media storage.
- Created an intuitive UI with seamless video streaming and optimized backend functionality for encrypted data handling.

UNIVERSITY EDUCATION PORTAL

GitHub link: Frontend   **Deploy link: University Education Portal**

- Developed a modern, responsive University Education Portal for Vedanta Engineering University, featuring a user-friendly interface with sections like Hero, About, Campus gallery and Testimonials.
- Designed and implemented engaging UI elements to enhance user experience and effectively showcase university information.

EVENT BOOKING APPLICATION

GitHub link: Frontend, Backend   **Deploy link: Event Booking Application**

- Developed a fully responsive application using React-Router for navigation, with a Node.js backend and MongoDB schema design.
- Integrated Google Maps for address display and used Axios for efficient API data retrieval.

SKILLS

- Data Structure And Algorithm | JavaScript | ReactJS | Redux Toolkit | HTML | CSS
- NodeJS | ExpressJs | MongoDB | Mongoose | Github

PROFESSIONAL EXPERIENCE

10x Academy: Full-Stack Development Internship, 6+ months   *Hyderabad,India*

- Mastered the MERN stack with a focus on robust database design and dynamic UI creation.
- Cultivated expertise in building scalable server-side applications for contemporary web solutions.

EDUCATION

- B.Tech in Computer Science and Engineering - ABES Engineering College   *Ghaziabad (U.P)*
- Senior Secondary - Class XII, S I G S Inter College   *08/2014 – 08/2015*
- Secondary - Class X, Modern Academy Senior Secondary School   *05/2011 – 05/2012*

AWARDS

"Code with Fun" Competition: Achieved 1st Place in the Full Stack Developer Bootcamp during Internship Session, Awarded an Echo Dot (3rd Gen) for exceptional performance and innovative problem-solving skills. **Here**
